THE PURPOSE OF MOTHERHOOD

THE HOLY WORK OF THE HOME

NIGHTTIME

prayer for your kids

LORD,

We ask you to come fill the room. **Let your presence rest here.**

By the authority given to us by Christ, we come against all demonic influences right now in the name of Jesus!

We cut them off of **(insert your child's name here)'s** mind, thoughts, dreams, and spirit while they sleep in the name of Jesus.

We cancel all demonic assignments to torment them while they sleep. **Holy Spirit, speak to them as they sleep, give them dreams and visions from you.** We plead the blood of Jesus over them.

In Jesus's Mighty Name,

AMEN!
